THE
**DIMOCK
CENTER**

Healing and caring for the community for over 150 years.

Founded in 1862 as the New England Hospital for Women and Children, the Dimock Center heals and uplifts individuals, families, and our community. Operating on a nine-acre campus in Roxbury's Egleston Square, we serve people from Boston neighborhoods and 212 communities across the state through our Health and Community Care, Behavioral Health, and Child and Family Services. Nationally recognized as a model for the delivery of comprehensive health and human services in an urban community, we serve more than 17,000 people annually.

WORDS FROM OUR PARTNERS:

"TJX is honored to help The Dimock Center address the social issues that affect so many communities where we do business. We are committed to supporting Dimock in many ways, including board leadership, volunteerism and financial support."

– Dr. Beverly Edgehill, Vice President, Organizational Development and Community Relations

"Our relationship with The Dimock Center holds at its core our shared missions of improving the health and wellness of the diverse communities we serve. We are proud to make a difference through philanthropic support; the time and energy of our employee volunteers; and the Road to Wellness 5K. Dimock is an excellent partner with us in keeping our communities healthy."

– Tom Croswell, CEO, Tufts Health Plan
